Twas the night of the
concert and we're all in the
house
Not a creature at school
(except maybe a mouse)
All the voices have sung In
their parts with such care
In hopes that on Youtube,
you all be there.
Then what to my wondering
ears did appear?

Mrs. Neu in a sleigh
as we start our
premieres!

BONUS: At the end of each night, there will be a clue to the musical this year by our director Devon!
