

Attention Violin/ Viola student:

Our string teacher, Mr. Nuisl will be asking all new students to Masterman or current students who did not participate last year on violin or viola to come play for him/meet him on Monday, September 16th as follows.

PLEASE do not be nervous. He just needs to be able to place you in the appropriate lesson group. That is all.

What to bring/prepare:

- Your violin/viola if you have one or if you can. If not, he will have a school one for you to use.
- Something you know how to play from your lesson book or a piece you've learned for a concert or recital if you have one. If you do not have any music, that is fine. He will find something for you to try.
